

## Booking

All coached sessions need to be booked in advance. Discounts are available for the booking & payment in advance of courses & individual lessons.

### Junior Groups

A 10% discount is available for Tennis Camp bookings & new course bookings if payment is received two weeks prior to start date. All new participants must send a booking form with their first payment. To download a booking form go to the link please click here. For existing participants a 10% discount may be taken if payment is received by the date set on the renewal letter.

An additional 5% discount can be taken for siblings of children already booked on a course. This means that only one 5% discount should be taken in the case of two siblings attending courses.

Please note that places are limited & if we have not received a renewal from an existing participant by the renewal date that place will be offered to someone on the waiting list.

Some courses are full so children will unfortunately have to lose their place if payments are not received by the due date. No confirmation of the booking will be given unless requested via email.
